Greetings from Berchmans Institute of Management Studies!

Berchmans Institute of Management Studies, affiliated to Mahatma Gandhi University, offers a two-year full-time MBA programme. Students who have successfully graduated from this institute over the past 27 years, are placed across the globe as managers, consultants, and entrepreneurs. As envisaged by the founders of this Catholic institution, BIMS offers first-rate management education and instils benevolent ethical values.

Moral discipline is imperative for the individual and corporate growth of a student to remain real and sustainable in a competitive materialistic world. BIMS focuses on a value-based education system as education remains meaningless without moral guidance and character formation.

The dynamic, economic and business environments impel BIMS to equip the students to keep abreast with the changing corporate scenarios. Through the course we offer, students acquire academic knowledge as well as analytical and decision-making skills. The institute always strives to accomplish the mission of St. Berchmans College in its pursuit of nobility and excellence. On completing the two-year MBA programme, the students emerge as excellent and successful management personnel in their career endeavours.

Best regards

MANAGERIAL SKILL DEVELOPMENT

Managerial Skill Development programme is designed to sharpen the required skills for a manager. These sessions are conducted on all weekdays from 4:15 pm to 5:30 pm and alternative Saturdays to facilitate the holistic development of the students. MSD consists of the following components:

▶ EMPLOYABILITY TECHNIQUES

Our students are empowered to withstand the emerging competitive trends in the employment scenario. Soft skills, presentation skills, resume writing, aptitude training, group discussions, personal interview and Campus to Corporate sessions are executed since effective communication is the crux to employability.

▶ NEWS ANALYSIS

BIMS ensures that the students are up-to-the-minute on current affairs. On every working day, the first hour (9:00 am to 9:45 am) is solely preserved for News Analysis. The students have to conduct a detailed background study of the news and speculate over its practical impacts on economy and industry.

▶ INDUSTRY ANALYSIS

Industry Analysis involves reviewing and analysing current economic market conditions. Diverse industries such as Banks, FMCGs Retail, Consulting & Auditing, Manufacturing are reviewed in detail.

▶ STRESS MANAGEMENT

To promote the importance of mental health and stress management among students, BIMS provides one-to-one mentoring. The institute provides an exclusive experience of Management Education in which the students acquire multiple skills simultaneously. Through this programme, students learn to strike a balance between their professional and personal roles.

▶ YOGA

Regular yoga sessions have been designed to promote relaxation and stress relief for the students. Students learn to strike a balance in their everyday schedule, both physically and mentally through this programme.

EXTRAMURAL ACTIVITIES

Besides academics, BIMS encourages its students to indulge in various extracurricular activities to bring out their best. Under the supervision of a faculty coordinator, students are expected to actively participate in various forums and organise Business Quiz, Management Games, Panel Discussions, Industry Profiling and similar programmes. Students are also part of the club activities of the college, which is conducted weekly. Being part in the club activities enhances their creative and cultural skills.

INDUCTION PROGRAMME

The Induction Programme is a weeklong programme conducted for every new batch. The programme includes various activities that help the students to have a clear-cut idea of the MBA Programme. Induction modules enable the students' transition and integration into BIMS' environment.

The programme helps the students to acquaint themselves with the rigors of academics, to facilitate their academic and personal success.

GUEST TALKS, SEMINARS & WORKSHOPS

The Berchmans Institute of Management Studies (BIMS) has been organizing guest talks by eminent personalities to provide students with a platform to interact with industry experts and learn about the latest trends and practices in the field of management. These talks are aimed at enhancing students' knowledge, skills, and exposure to real-world situations.

Over the past few years, BIMS has hosted a series of guest talks, covering a range of topics related to management. These talks have been attended by students, faculty, and industry professionals.

These guest talks have provided students with a unique opportunity to learn from industry experts and gain insights into the latest trends and practices in the field of management. The talks have also helped students to broaden their perspectives, develop critical thinking skills, and improve their communication and networking skills.

In addition to guest talks, BIMS also organizes workshops, seminars, and conferences on a regular basis to provide students with a holistic learning experience. These initiatives reflect the institute's commitment to providing students with the best possible learning opportunities and preparing them for the challenges of the real world.

MEET THE TYCOON

Students of BIMS are privileged to interact with high profile personalities from the industry to get to know more about their journey. Students are required to choose a reputed firm and interact with the higher authority there. The interview will be covered and recorded, which will serve as a document. This programme enables the fresh graduates to know more about the competitive field and the strategies used to tackle the situations.

BERCHMANS INDUSTRY INTERFACE (BII)

BIMS organises Industry Interface Programmes to equip the students to utilise theoretical knowledge in practical scenarios, in consonance with the contemporary requirements of the industry. Add-on certificate courses in collaboration with business organisations are conducted for the students based on their specialisations.

DINING ETIQUETTE

BIMS has trained MBA students in Dining etiquette at Five Star Hotel. Our students are given hands on training on dining etiquette at Ramada Resorts, Aroor, Kochi. The training aimed to teach students about proper dining etiquette in a professional setting, including table manners, communication skills, and overall behaviour. The training session consisted of a mix of theoretical and practical activities, presentation and demonstration, which increased their confidence in navigating social situations in a professional setting.

SAMVIT 2.0

As part of centenary year celebrations, St Berchmans College has organised a National level science and cultural exhibition, Samvit 2.0 from 19th to 26th September 2022, reinforcing the tradition of welcoming the nation to the storehouse of knowledge, learning and memories.

The department included stalls which incorporated learning of management concept which gives a preliminary insight into the basic management ideas, a library installation which helps the viewers to expand their horizon of knowledge, workplace evolution that provides an understanding the changes evolved throughout the passage of time. A management hall of fame was set which defined pioneers of management. BIMS also associated with All India Radio and Dhooradharshan to present the evolution of media history to the public. Brand games along with CSR activities with the motto Safe Energy, Save Energy, Green Energy. Industrial production processes were presented in association with Synthite Industries to display their premium products. Corporate Wardrobe was also installed to provide a brief on the corporate grooming and dressing idea. Students of BIMS witnessed one of the greatest cultural extravaganza in which the youth talents were showcased.

BERCHNOVA

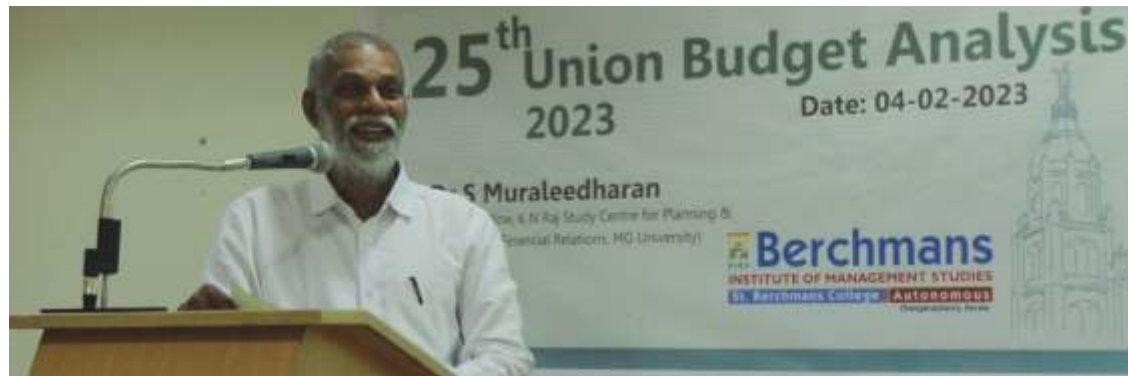

Berchnova, the national management fest, broadens the boundaries of its participants' imagination. The event attracts participants from B-schools across the globe. The fest is designed to hone contestants' skills in the fields of Finance, HR, and Marketing.

Berchmans Institute of Management Studies hosted the National Level Management Fest, Berchnova 2023, with great enthusiasm over two days, from October 12th to October 13th, 2023. Sri. M P Joseph (IAS) inaugurated the fest. The student coordinators Mr. Sahil Santhosh and Mr. Athul George steered the 28th Batch to organise the event.

UNION BUDGET ANALYSIS

BIMS annually conducts an analysis of the Union Budget to gain a deep understanding of the economic status of our country. Financial Heads from various renowned companies contemplate on the annual budget, share their views, and highlight the major projects and plans of the forthcoming financial year.

BERCH ENTREPRENEURS' DAY

BerchEmpresario

“Entrepreneur of the Year”

BIMS honours entrepreneurs who have proved themselves in their chosen field of business. The most eligible entrepreneur will be conferred upon the ‘Entrepreneur of the Year’ title “BerchEmpresario”. This event provides a platform for the students to discuss matters of mutual interest with business magnets.

After a meticulous process of evaluation, decision making, and selection, the title BerchEmpresario of the Year, 2023 was awarded to Mr. Mr. Hari N Namboothiri, Vice Chairman of Sreedhareeyam.

Berch de Inicio

“Start Up Award”

BIMS supports young entrepreneurs in Kerala by felicitating Start Up companies. The most deserving Start Up entrepreneur will be felicitated with the Berch Start Up Award ‘Berch de Inico’ on BerchEntrepreneurs’ day.

Ms. Remya Raj, the visionary behind DAAD - Digital Arts Academy for the Deaf, won the ‘Berch de Inicio ’23-Berch Start Up Award.

Berch de Alumnus

“Silver Jubilee Memorial - Alumni Entrepreneur”

To facilitate eminent entrepreneurs from our alumni, BIMS has instituted the Silver Jubilee Memorial- Alumni Entrepreneur Award ‘Berch de Alumnus’. The most deserving entrepreneur of the 5th Batch (1999 - 2001) was Mr. Satheesh Prabu.

NATIONAL / INTERNATIONAL CONFERENCES

BIMS has been hosting both National and International Conferences, attracting a diverse array of participants, distinguished experts, scholars, and professionals from around the world. These conferences serve as invaluable platforms for students and attendees to broaden their understanding of topics within management education. The essence of social learning, crucial for acquiring knowledge, is best nurtured through meaningful interactions in conferences and seminars. In addition to deepen the participants' understanding of the discussed subjects, these events also facilitate the exploration of solutions to professional challenges. By fostering the exchange of ideas and perspectives, these gatherings benefit students, faculty, and all attendees alike. The conference is coordinated by a team of faculty members and students.

ADD-ON COURSES: ENRICHING THE LEARNING EXPERIENCE AT BIMS

Berchmans Institute of Management Studies (BIMS) offers a range of add-on courses to enhance the learning experience of students and provide them with a competitive edge in today's job market. These courses are designed to complement the regular curriculum and equip students with industry-specific knowledge and skills.

These add-on courses are offered in collaboration with industry experts and leading academic institutions. They are designed to provide students with practical knowledge and skills that are highly valued by employers. The add-on courses are open to all students of BIMS based on their major specialisation. During the academic year 2023 – '24, the finance students were provided certification in Financial Management in association with Hedge, HR students were certified on Practical HR and Talent Acquisition by CIEL and marketing students were provided with Digital Marketing Certification by Cmercury. The add-on courses offered by BIMS are an excellent way for students to enhance their knowledge and skills and gain a competitive edge in today's job market.

The 28th batch of students received hands-on training in SPSS and MS Excel, which allowed them to become certified by Microsoft.

INDUSTRIAL VISITS

In addition to theoretical classes, BIMS arranges Industrial Visits to complement students' learning. These visits expose students to diverse industries and provide opportunities to interact with professionals, enriching their knowledge of organizational relations and functions.

OUTBOUND TRAINING PROGRAMME

The students of BIMS participate in Outbound Training Programmes aimed at improving their people and situation management skills. These programmes enable students to develop and refine their abilities in resource management, risk assessment, team building, leadership, decision-making, effective communication, overcoming fears, and building confidence, thereby preparing them to face real-world challenges with greater confidence and competence. The 27th batch has undergone rigorous training sessions - a series of structured events including fire walk, bamboo rafting and dining etiquette at Orion County Resorts, Vagamon.

CAMPUS TO CORPORATE: A CORPORATE READINESS PROGRAMME

(26th October, 2023 – 28th October 2023)

For several students, transitioning from college to a corporate environment can be a daunting task. To meet this scenario, Berchmans Institute of Management Studies, in collaboration with its corporate relations office organized a three-day Corporate Readiness Programme on campus. This workshop aimed to provide students with insight into the skills they need to develop and the preparations they must make to smoothly transition into professional life and pursue a successful career. Expectations and responsibilities in a professional setting differ greatly from those in a college. There are implicit rules and norms that many students are unaware of. Therefore, it is crucial to equip fresh graduates with the skills to adapt to changes and thrive in the professional world.

The speakers at the workshop discussed various aspects of the transition from campus to corporate life to increase students' employability in different sectors. The objective of the programme was to prepare students to face the challenges of the professional world with confidence and competence.
