Rev. Dr. Teddy C. Anthappai
Vice Principal

Prof. Dr. Siby Joseph K.
Vice Principal

Greetings from Berchmans Institute of Management Studies!

Berchmans Institute of Management Studies, affiliated to Mahatma Gandhi University, offers a two-year full-time MBA programme. Students who have successfully graduated from this institute over the past 28 years, are placed across the globe as managers, consultants, and entrepreneurs. As envisaged by the founders of this Catholic institution, BIMS offers first-rate management education and instils benevolent ethical values.

Moral discipline is imperative for the individual and corporate growth of a student to remain real and sustainable in a competitive materialistic world. BIMS focuses on a value-based education system as education remains meaningless without moral guidance and character formation.

The dynamic, economic and business environments impel BIMS to equip the students to keep abreast with the changing corporate scenarios. Through the course we offer, students acquire academic knowledge as well as analytical and decision-making skills. The institute always strives to accomplish the mission of St. Berchmans College in its pursuit of nobility and excellence. On completing the two-year MBA programme, the students emerge as excellent and successful management personnel in their career endeavours.

Best regards
BIMS Fraternity

Dr Joychen Manuel
Associate Prof. & HOD

ST. BERCHMANS COLLEGE

Founded in 1922 and managed by the Arch Diocese of Changanassery, St. Berchmans College (SB College) is a renowned educational institution for higher studies in Kerala. In 2004, the college was accorded the prestigious status of "College with Potential for Excellence (CPE)" by the University Grants Commission (UGC). SB College has been twice the recipient of the R Shankar Award instituted by the Government of Kerala for the best Arts and Science College, and in addition, it was accredited with an "A+" grade by NAAC.

Offering 22 Post Graduate and 18 Under Graduate courses, the college has 10 Research departments. SB College provides a full-fledged environment for the holistic development of students by imparting knowledge, values, and skills. In June 2014, the college was granted Academic Autonomy, which has enabled it to introduce innovative academic programs and teaching methods.

In 2023, SB College was ranked 69th in India by the National Institutional Ranking Framework (NIRF). The college continues to strive for excellence in higher education and remains committed to its mission of nurturing socially responsible and globally competent individuals.

BERCHMANS INSTITUTE OF MANAGEMENT STUDIES

Berchmans Institute of Management Studies (BIMS) proudly celebrates its 28th anniversary of providing quality education and shaping future leaders. Affiliated with Mahatma Gandhi University, Kottayam, BIMS offers a two-year full-time Master of Business Administration (MBA) program recognized by the All India Council for Technical Education (AICTE), New Delhi.

To foster the development of management skills among students, BIMS provides custom-built Industry Interface Programs that help students prepare for the challenges of a highly competitive corporate world. These programs provide invaluable exposure to industry practices, insights into management strategies and opportunities for networking with industry professionals.

BIMS has produced 28 batches of full-fledged MBA professionals who have not only excelled in their careers but also uphold a strong sense of ethics and commitment. The institute continues to be a pioneer in the field of management education, offering cutting-edge programs and innovative teaching methods to keep up with the changing demands of the industry.

INFRASTRUCTURE

- ▶ Modern Computer lab with statistical packages, Business Management database and e-journals.
- ▶ Wi-Fi Campus
- ▶ Full-Fledged Library
- ▶ Ideally equipped classrooms, conference rooms, seminar halls, restrooms, and a self-service restaurant
- ▶ Hostel Accommodation (Boys & Girls)

	TOTAL	20	240	460	700
	Grand Total	106	1120	2080	3500

ELECTIVES The electives offered in the third and fourth semesters are based on students' preferences, their aptitude, availability of faculty, and other facilities in the institution.

Faculty, Research & Consultancy

The faculty at Berchmans Institute of Management Studies (BIMS) combine extensive knowledge, industrial experience, and advanced education to deliver quality training. Through interactive teaching methods and by bringing real-life experiences into the classroom, they ensure a dynamic learning environment.

BIMS emphasizes state-of-the-art teaching practices and provides students with opportunities to develop their skills holistically. Faculty members are encouraged to participate in Faculty Development Programs (FDPs), Management Orientation Programs (MOPs), and refresher courses organized by universities, business schools, and corporate organizations. The institute empowers faculty members through comprehensive support for their research initiatives, consulting projects, and participation in scholarly conferences and seminars at both national and international levels.

The academic structure at BIMS is designed to provide a seamless blend of theoretical knowledge and practical insights. The core faculty's expertise is complemented by guest speakers, who bring in valuable industry perspectives. The visiting faculty is carefully selected to ensure that only the best minds contribute to the academic excellence of BIMS.

Managerial Skill Development Programme (MSDP)

The Managerial Skill Development Programme (MSDP) is specifically designed to enhance and refine the skills essential for effective management. These skill development sessions are conducted on all weekdays and alternate Saturdays, ensuring continuous learning and improvement for aspiring managers.

Corporate Skills

Along with comprehensive theoretical knowledge, BIMS focuses on the holistic development of students by offering training in employability techniques, soft skills, and presentation skills. These initiatives prepare students to excel in the corporate world with confidence and professionalism.

Business News Analysis

Students are required to prepare weekly news analysis and deliver presentations on assigned topics. This initiative aims to enhance their general knowledge and business awareness, fostering a deeper understanding of current events and trends in the corporate world.

Stress Management

Sessions have been designed to promote relaxation and stress relief for students. Education is a unique experience, and students often juggle multiple responsibilities. Through this program, students learn how to strike a balance in their daily schedules, both physically and mentally, helping them manage stress effectively.

Berchmans Industry Interface (BII)

To align with the evolving needs of the industry, BIMS incorporates the Berchmans Industry Interface (BII) program to equip students with practical and applicable knowledge. The goal of BII is to foster a passion for the subject while preparing students to be employable with the necessary skills and expertise. BII focuses on producing "Ready-to-Employ" business graduates, ensuring they are well-prepared for the market. This certificate program adds significant value to the MBA degree.

Add-on Courses

As part of its Industrial-Institutional Interface, the institute has introduced certification courses in specialized areas such as Finance, Marketing, HR, and Operations Management. These add-on courses are designed to enhance students' expertise and provide them with additional skills, making them more competitive in the job market.

Berchmans Research & Consultancy (BCC)

The Berchmans Consultancy Centre (BCC) aims to extend contemporary knowledge in Business Management to the business community. This initiative by BIMS focuses on fostering collaboration with the industry. Over the years, BCC has undertaken numerous consultancy assignments, and it continues to fulfill its mission of providing valuable insights and solutions to business. All students in the Third Semester shall undergo any of the add on courses along with their curriculum.

Placements

The Placement Office at BIMS is dedicated to providing students with appropriate placements that align with their unique strengths and interests. The office also helps students discover their passions and choose the best career path. To prepare them for the competitive business world, various training workshops are offered, including soft and hard skills, mock interviews, group discussions, and online aptitude tests. These initiatives empower students to overcome challenges and succeed in their careers. With a strong emphasis on professional development, BIMS serves as a finishing school to prepare students for the corporate landscape. In 2023, BIMS successfully achieved a 50% placement rate.

Campus to Corporate Programme

As part of its initiative, BIMS, in collaboration with its Corporate Relations Office, organizes a Corporate Readiness Program on campus. This program provides students with valuable insights into the skills they need to develop and the preparations required for a smooth transition into professional life. Students have the opportunity to interact with eminent industrialists and career experts, gaining guidance to adapt to the evolving corporate world and thrive in their careers.

Infrastructure

Berchmans Institute of Management Studies offers a peaceful and conducive environment for studies. The campus is centered around the library, computer lab, and seminar hall, creating an ideal space for students to learn and engage with one another. The institute provides a rich array of extracurricular activities and cultural events that contribute to both academic and personal development. Equipped with state-of-the-art technology, the infrastructure supports a dynamic and interactive learning experience.

Library

BIMS boasts a splendid reference and lending library that supports students' academic programs. The library serves as a hub for knowledge, encouraging students to explore and expand their understanding. It offers a wide collection of books, journals, and international magazines, fostering a quest for knowledge and academic excellence.

Berchmans Centre for Management Research (BCMR)

The Berchmans Centre for Management Research (BCMR) serves as the PhD research wing of the Berchmans Institute of Management Studies (BIMS), a prestigious institution dedicated to nurturing academic excellence and leadership in management education. Established with the mission to advance research in the domains of Management and Business Administration, BCMR has become a hub for scholars aspiring to contribute meaningfully to the academic and professional landscape.

Approved by Mahatma Gandhi University, Kottayam, BCMR operates with a well-defined vision of fostering innovative and impactful research. It is guided by a team of eminent research guides, each bringing extensive experience and expertise in their respective fields. The center is committed to maintaining the highest standards of academic rigor, ethical research practices, and global relevance.

▶ Research Focus Areas

BCMR offers scholars the opportunity to delve into a wide range of research areas, including Marketing, Finance, Human Resources, Operations and Supply Chain Management, as well as Interdisciplinary Research.

▶ Achievements and Current Status

At present, BCMR hosts a vibrant community of 22 scholars who are actively engaged in research projects that align with global trends and address industry-

relevant issues. The center takes pride in its track record of publishing high-quality research articles in some of the most reputed national and international journals. These publications not only enhance the academic reputation of BCMR but also contribute to shaping policies, strategies, and practices in the business world.

▶ Research Guides

BCMR thrives under the guidance of a team of highly accomplished and experienced research supervisors. These guides play a crucial role in shaping the research journey of scholars by providing academic supervision, methodological expertise, and insights into emerging trends. The approved research guides at BCMR are:

- ▶ Prof. (Dr.) Mathew Joseph
- ▶ Prof. (Dr.) Siby Joseph K
- ▶ Dr. Joychen Manuel
- ▶ Prof. (Dr.) Babu Michael
- ▶ Dr. Sopna V. Mohammed

BCMR remains steadfast in its mission to cultivate a culture of inquiry and innovation, empowering scholars to emerge as thought leaders who make significant contributions to academia, industry, and society at large.

Computer Centre

BIMS offers comprehensive computing facilities to its students. The centralized computer lab is equipped with a ninety-node network and internet access. Additionally, the center provides access to various tools and resources, including EBSCO, PROWESS, Statistical packages, and a language lab, ensuring students have the necessary technological support for their academic and professional growth.

Hostel

BIMS provides separate accommodations for boys and girls, encouraging students to reside in the college hostel. This fosters a better quality of interaction and learning among peers. The hostel also plays a vital role in helping students manage their time and space within a community environment, promoting personal growth and independence.

Project Kalalayam

Industry-academic interface plays a crucial role in ensuring practical orientation in management education. By working together, academia and industry can bring the latest practices into the classroom, providing students with an industry-focused learning experience. Through its CSR initiative, "Project Kalalayam," EY has taken a significant step in this direction. St. Berchmans College and BIMS have been identified as pioneer institutions for this project. With many students pursuing careers in consulting-related fields, this initiative offers job-specific orientation and training to better prepare them for their professional journeys.

Annual Events

Berchnova is a national-level management fest organized annually to broaden perspectives, challenge limits, and encourage creativity by transforming thoughts into actions. Since its inception, the fest has attracted participants from top B-schools across India. The two-day event features various competitions that test students' skills in multiple areas, aiming to transcend traditional boundaries of knowledge and wisdom.

The fest focuses on honing skills in Finance, HR, and Marketing, with major events such as the Business Quiz and Best Manager Contest, which add to the grandeur of the event.

Entrepreneur's Day BerchEmpresario: 2024 Mr Johnson Varghese Managing Director, Keerthi Agro Mills Pvt. Ltd (Nirmal Rice)
BIMS celebrates Entrepreneur's Day to honor entrepreneurs who have excelled in their chosen fields of business. The most outstanding entrepreneur is conferred the title "BerchEmpresario" and is awarded the Entrepreneur of the Year Award. This event provides an opportunity for students to engage with successful business leaders and discuss matters of mutual interest. The day also features a Business Plan Competition, "Nueva Empresa" which is open to students from reputed B schools. A panel discussion with eminent entrepreneurs is another highlight of the event, adding grandeur to the celebration.

Berch de Inicio (Startup Award)

To promote and honor young entrepreneurs in Kerala, the "Berch de Inicio" Award is presented to the most deserving young startup entrepreneur during Entrepreneur's Day.
2024 - Genrobotic Innovations Pvt. Ltd

Berch de Alumnus

This award recognizes the best alumni entrepreneur from the silver jubilee batch, celebrating their contributions and achievements as entrepreneurs. 2024 – Mr Anoop Madhavappillil, Director, Leaders Drive

Berch Environ

Annual competitions are organized every year on various environmental themes by BIMS in collaboration with BPCL Cochin to commemorate World Environment Day. These events aim to raise awareness about environmental issues and engage students in meaningful activities that promote sustainability and environmental responsibility.

Outbound Training Programme

Outbound Training Programs are organized for MBA students to enhance their skills in people and situation management. The program helps students polish their abilities in resource management, risk assessment, team building, leadership, and decision-making. These activities are designed to provide hands-on experience and foster personal growth, making students better prepared for real-world challenges.

Union Budget Analysis

The Union Budget is a key roadmap of the government's economic policy and an outlined plan for reviving the growth of the Indian economy. BIMS conducts an analysis of the Annual Union Budget every year to provide a broader perspective on the current economic status. Financial heads from renowned companies share their views, highlighting the major achievements of the ongoing financial year. This comprehensive analysis by our students offers valuable insights into the fiscal direction and priorities of the government.

Industrial Visits

Industrial visits are organized to complement the theoretical concepts taught in the classroom. Exposure to the industry and interaction with practicing managers help students develop an understanding of organizational relationships and functions. Participation in these visits is mandatory for all students, as they provide valuable insights into real-world business operations and enhance learning beyond academics.

Dining Etiquette

Students are given the opportunity to experience fine dining and receive training on proper dining etiquette in a five-star environment. This training helps them develop professional skills, enhancing their social competence and preparing them for business networking events and corporate settings.

Bridge Course

The Bridge Course is an in-house training program conducted by the faculty of BIMS. It aims to provide a theoretical foundation on various management subjects before the commencement of regular sessions. This course serves as a link between regular degree education and the core subjects of the management program, ensuring a smooth transition into the MBA curriculum.

Induction Programme

The week-long Induction Programme is designed to empower students and help them acclimate to the MBA program. It provides them with the opportunity to explore various self-development areas, such as career counseling, SWOT analysis, stress management, and leadership. The program bridges the gap between industry and academics, preparing students to compete in the modern corporate environment by equipping them with the skills and mindset needed for excellence.

Mentoring

Students at BIMS are grouped under different faculty mentors, where they have regular discussions to address their concerns and seek guidance. The goal of this mentoring program is to help students overcome their challenges, address grievances, and improve their performance both academically and in extracurricular activities. Students are required to fill prescribed forms for tracking their progress and submit them during their meetings with mentors. This program aims to provide personalized support and foster overall development.

Career counselling

Career counselling at BIMS helps students identify their strengths and choose the right MBA specialization based on their aptitude. In the third semester, counselors analyze students' profiles using the 36PF Scale. This assessment offers valuable insights to help students make informed decisions about their career paths and academic focus.

The In-House Training Programme

The In-House Training Programme at BIMS includes sessions on Excel, SPSS, Creativity, and Outbound Training. These programs aim to fill knowledge gaps and expand the knowledge horizons of participants. Interactions with experienced faculty and fellow participants provide new insights, which help students make better-quality decisions.

Yoga

The MBA students at BIMS undergo a course on Yoga, which includes regular sessions culminating in an evaluation. This course aims to enhance the overall personality and well-being of students.

National / International Conferences

BIMS hosts both National and International Conferences, attracting experts, scholars, and professionals from around the world. These conferences offer students and attendees opportunities to deepen their understanding of management education and engage in meaningful discussions. In addition to exploring solutions to professional challenges, these events foster the exchange of ideas and perspectives. Coordinated by faculty and students, the conferences provide valuable platforms for social learning and knowledge sharing.
